New York Times and USA Today best-selling author MaryJanice Davidson's tales featuring Vampire Queen Betsy Taylor are a perfect blend of humor, horror, and high fashion. In this 10th installment, Betsy finds herself puzzling over an unusual predicament. As the Vampire Queen, she believes she cannot die. So when she wakes in the morgue, it's a bit confusing. Could it have something to do with her recent time-traveling excursion, or has a wicked enemy emerged who could be the end of Betsy once and for all?
