"Synopsis A Christian psychologist shows how most psychological problems can be traced back to one or more of the 'Seven Deadly Sins.' Original. Buchrückseite Finding the Root of the Problem• I'm tired of always comparing myself to others. • My husband and I can't stop fighting. • A friend of mine drinks too much. • Some people make me feel so mad. • My wife is constantly depressed. All of us have struggles in life. We try to change our ways or thought patterns. We try to understand why life isn't going the way it should. Perhaps you, your spouse, another family member, or a friend has needed some help. Visiting a counselor seemed to make no difference. No improvement. No breakthrough. When healing doesn't occur or last, it may be because the root of the problem hasn't been exposed. In What Your Counselor Never Told You, Dr. William Backus reveals the much ignored and denied basis for common emotional and psychological problems. Drawing from decades of research back to one of seven traits or characteristics, most commonly known as the Seven Deadly Sins. The key is understanding which of these traits are more dominant in your life, and therefore troublesome, and then learning how to embrace God's remedy. Includes self-assessment questions for individual and group use. Über den Autor und weitere Mitwirkende Dr. William Backus is founder of the Center for Christian Psychological Services, and an ordained clergyman in the Lutheran church. He is also a licensed Consulting Psychologist. He has a master's degree in theology from Concordia Seminary in St. Louis and a Ph.D. in Clinical Psychology from the University of Minnesota. Dr. Backus has conducted follow-up studies of his clients, which show a 95 percent improvement rate, compared to a 67 percent success rate for other methods of therapy. The difference, Dr. Backus says, is 'the truth of God as revealed in the Word.' In addition, he serves as an assistant pastor on the staff of North Heights Lutheran Church, Roseville, Minnesota, where he has founded and directed a lay-staffed free counseling clinic. He and his wife live in Minnesota."
