"Über den Autor und weitere Mitwirkende **Dr. Marcus Bowman** has been machining metal for 40 years, and programming since 1970. A lifelong maker of models, clocks, and tools, he enjoys the synthesis of machining technique and programming involved in applying CNC in the workshop, and uses CAD, CAM, and CNC software to extend the boundaries of what can be achieved."

Cnc milling for makers basics techniques applications design for cnc practical joinery techniques projects and tips for cnc routed furniture cnc milling in the workshop crowood m
