Whirligigs — those charming little wind-driven toys — make excellent introductory woodworking projects because they are easy to do, inexpensive and — most of all — great fun! Hobbyists at all levels of ability will love creating the 25 delightful projects described in this book, from the simple Baking a Pie whirligig to the double-armed Woman at the Computer. Other figures include a Man/Woman Fishing, Oil Well Pump, Saluting the Flag, See-Saw, and Bucking Bronco. Easy-to-follow instructions and measured drawings explain everything from selecting and using proper tools and creating the driving mechanism to finishing and displaying the completed project.
