"Críticas ""A breathtakingly real look at love, loss, and the dangers of space, THE FINAL SIX rockets into twists and turns I never saw coming!" --Beth Revis, *NYT* bestselling author of *Across the Universe* series""I sat down to read a bit before bed and then it was two a.m. and the book was half gone. This is a space competition of epic proportions, loaded with disturbing hidden secrets and intense action. Your eyes will be glued to the page." --Kendare Blake, #1 *NYT* bestselling author of *Three Dark Crowns*""Compelling, cinematic, and fascinating. I can't wait to read what happens next in the mission to Europa!"--Romina Russell, *New York Times* bestselling author of the Zodiac series Romina Russell, *New York Times* bestselling author of the Zodiac series""Monir handles her action scenes elegantly, creating moments so intense the pages practically fly by."--School Library Journal""This novel is YA sci-fi grounded in a very plausible, only-just-in-the-future version of our world, with two relatable, compelling MCs and a relentless thriller pace. Read it!"--Barnes & Noble Teen Blog""An ingenious thrill ride of a novel with memorable, diverse characters, *The Final Six* is a five-star read."--Alyson Noel, #1 *New York Times* bestselling author of *The Immortals* series""A stunning new take on the dystopian novel."--Paperback Paris""*The Final Six* is a mixture of Space Camp + Climate Change + Political Thriller...I highly recommend this book."--Karen Jansen, Teen Librarian Toolbox

Reseña del editor **Set in the near future, this action-packed YA novel?already optioned by Sony Pictures?will take readers out of this world and on a quest to become one of six teens sent on a mission to Jupiter?s moon. This is the next must-read for fans of *Illuminae* and *The Martian*.**When Leo and Naomi are drafted, along with twenty-two of the world?s brightest teenagers, into the International Space Training Camp, their lives are forever changed. Overnight, they become global celebrities in contention for one of the six slots to travel to Europa?Jupiter?s moon?and establish a new colony, leaving their planet forever. With Earth irreparably damaged, the future of the human race rests on their shoulders. For Leo, an Italian championship swimmer, this kind of purpose is a reason to go on after losing his family. But Naomi, an Iranian-American science genius, is suspicious of the ISTC and the fact that a similar mission failed under mysterious circumstances, killing the astronauts onboard. She fears something equally sinister awaiting the Final Six beneath Europa?s surface.In this cutthroat atmosphere, surrounded by strangers from around the world, Naomi finds an unexpected friend in Leo. As the training tests their limits, Naomi and Leo?s relationship deepens with each life-altering experience they encounter.But it?s only when the finalists become fewer and their destinies grow nearer that the two can fathom the full weight of everything at stake: the world, the stars, and their lives..
