"Recensione *Review from previous edition* 'I can think of nobody in the English speaking world better placed to write a VSI on Foucault than Gary Gutting.' (Simon Critchley (Essex University), author of *A Very Short Introduction to Continental Philosophy, on the proposal*) 'A first-rate introduction to the work of this difficult thinker, which navigates the complexity of his thought with confidence and clarity' (Professor Todd May, Clemson University, South Carolina) L'autore Gary Gutting is considered a leading expert on Foucault. Currently Professor of Philosophy at the University of Notre Dame, Gutting has published several works on Foucault, including *French Philosophy in the Twentieth Century* (CUP, 2001); *Michel Foucault's Archaeology of Scientific Reason* (CUP, 1989); and was the editor of *he Cambridge Companion to Foucault* (CUP, 1994)."
