"Recensione ""Perfect for when that one word just falls flat.""? **Justine Magazine** ?Hilarious and therapeutic.?? **The New York Observer**""For emotionally 'idiovated' readers, this is a wry reminder that they aren?t the only ones who feel that way.""? **Publishers Weekly**""For all those whose frustration at being unable to name a particular emotion has ever overtaken the emotion they are unable to name, this clever lexicon is here to provide relief. Situated somewhere between Urban Dictionary and a beginner's guide to anxiety and introversion, the book highlights the importance of emotional literacy but stops short of addressing emotional competence, relying instead on the audience's developed sense of irony to understand the validity of the newly named feelings while also managing to recognize any unhealthy emotional practices."" ? **Kirkus Reviews** From the Hardcover edition. L'autore **Eden Sher** is an actress best known for her role as Sue Heck on the nationally syndicated TV series The Middle. Eden has been nominated for a Critics' Choice Award for Best Supporting Actress in a Comedy Series four times, winning in 2013. She is also the voice of Star on the animated series Star vs. The Forces of Evil. The Emotionary is her first book. **Julia Wertz** has published five graphic novels, including Drinking at the Movies and The Infinite Wait, and does monthly history comics for The New Yorker and Harper's Magazine."

The emotionary is the first book by eden sher the actress who plays sue heck on the middle and voices star on disney s star vs the forces of evil i found the book very interesting as
